Hey! I'm Nicole Bakouros and I am a senior at Branham High School. I played varsity my junior and senior year playing the position of outside but mostly right side. I have played on hcSYNERGY since the start of the club and I am excited to be able to coach it and continue to be apart of the program. I hope to attend SJSU in the fall of 2012 and major in business. When I am not playing a sport I enjoy hanging out with my friends, family, or the Greek community at my church.
